

## **Author Dianna Love Privacy Policy**

*Last Modified September 1, 2016*

This Privacy Policy discloses our privacy practices and the possible uses of the information that we gather via <http://www.authordiannalove.com>, hereinafter known as the Site. By using the Site you consent to the terms of this Privacy Policy. If you do not agree to the terms and conditions of this Privacy Policy, including having your personally identifiable information ("Personal Information" as defined below) used in any of the ways described in this Privacy Policy, you should not share your information. Author Dianna Love may update this Privacy Policy at her sole discretion at any time. It is your responsibility to review the Privacy Policy for any changes each time that you use the Site and you are bound by such changes. Use of the Site by you at any time constitutes your acceptance of the Privacy Policy as modified.

### **Information Collected**

Author Dianna Love collects information on users in various ways, such as, by your voluntary submission to the newsletter list and participation in contests or other programs offered by Dianna Love that are provided via the Site, and through cookie and other tracking technology. Information collected is as follows:

- "Personal Information" refers to information that tells us specifically who you are, such as your name, email, postal address, and possibly information relating to reader preferences. Information needed to provide events and offers that you may have requested participation in.
- The only information collected is that which you voluntarily provide through messages and program

- registrations.
- *NO information collected is shared with any third party groups. NO information collected is sold. All information collected is for the sole purpose of allowing Dianna Love to offer as many reader programs, book deals, promotions, contests and any other activity related to the sale of her books.*
  - *If Dianna Love offers participation in a program that includes additional authors, you will be given an option of providing your information for those authors as well, or not.*
  - *Other Tracking Technologies*
  - Tracking technologies may record information such as Internet domain and host names, Internet protocol (IP) addresses, browser software and operating system types, clickstream patterns, and dates and times that the Site is accessed. An IP address is a number that is automatically assigned to your computer whenever you are surfing the web. Web servers, the computers that 'serve up' webpages, automatically identify your computer by its IP address. This Site may also use technology that allows us to understand which pages you visit on the Site and other ways you interact with the Site..
